The screenshot shows the VPCL LIMITED website. At the top, there is a navigation bar with links for HOME, MANAGEMENT, ANNOUNCEMENTS, CONTACT, and a plus sign. The main header features the company's name and a large, abstract blue background graphic with glowing circular nodes. Below the header, the text 'ASX ANNOUNCEMENTS' is prominently displayed. A dark blue footer bar at the bottom contains the word 'Year' on the left and 'ASX Anouncements' on the right.

The collage consists of several presentation slides arranged in a grid. The top row includes a slide with a large orange header '20 PRESENTATION HEADLINE' and a slide with a dark background and white text '20 CONSECTETUR ADIPISCING'. Below these are slides with various layouts, including a slide with a large central title 'Making technical information marketable' and another with a large orange triangle containing the 'XPLORE RESOURCES' logo.

The advertisement features a collage of three images at the top: a hand interacting with a digital interface, the Uplift Logistics logo, and a close-up of a keyboard. Below this is a dark blue header with the text "FIFO Travel Management System". To the left, there are four orange circles stacked vertically, each containing a white text: "SIMPLE TO USE", "REMOVE MANUAL PROCESSES", "CONTROL & VISIBILITY", and "TAILORED SOLUTION". In the center, a large image of a white airplane flying through a blue sky with white clouds serves as the background for the main text area. The text reads: "Uplift provides an affordable solution to automate the entire process for booking air & ground charter, self-drives and site/camp accommodation". At the bottom, a callout box says "Access anytime, anywhere on any device". Below this, another callout box says "Everything in one system" with arrows pointing to "Book online 24/7" and "Control & Tracking". Contact information at the very bottom includes a phone number (07) 3180 0914, a website (www.upliftlogistics.com), and an email (info@upliftlogistics.com).

The advertisement features a large image of a white drone with a camera flying over a construction site with cranes in the background. At the top, the XPLORE RESOURCES logo is displayed against a blue and orange gradient background. Below the logo is the website address "www.xpresources.com.au". The main heading "Civil and Mine Surveying" is in orange, accompanied by a surveying tripod icon and the text "GREAT SOUTHERN LAND Surveying Consultants". A silhouette of a surveyor in a hard hat is shown next to a tripod. To the right, text states: "Our surveyors offer a nationwide service in Civil and Mine Surveying Services." Further down, a question "Would your site benefit from drone-based map surveying?" is followed by a statement: "Our drones are customised and industry specific. They have been built to yield the best mapping results for our clients." At the bottom, the words "GEODESY | MONITORING | STRUCTURAL SETOUT" are listed, along with contact information: a phone number (07) 3188 9306, an address (12d/2 Flinders Parade, North Lakes QLD 4509), and an email (admin@xpresources.com.au).

The image shows a screenshot of the Xplore Resources website's Geological Services page. At the top is a banner featuring a photograph of a geological outcrop on the left, the Xplore Resources logo in the center, and another photograph of a geological outcrop on the right. Below the banner is the website URL: www.xpresources.com.au. A large blue header section contains the heading "Geological Services". Below this, a dark blue box contains the text: "Our professionals are specialists in their field. We supply a number of roles that service mine sites and exploration sites in Australia and off-shore." To the right of this text are three orange hexagonal icons with white icons and text: "Exploration Geologists" (magnifying glass), "Mine Site Geologists" (pickaxe), and "Project Managers" (oil pump). Below these icons is a horizontal dotted line with colored dots (orange, grey, grey, orange) followed by the text: "Our key field & off-site professional services roles". Underneath this line are three more hexagonal icons: "Senior Site Executives" (person icon), "Resource & Project Geologists" (globe icon), and "Desktop Services" (computer monitor icon). At the bottom of the page is a footer bar containing contact information: "07 3188 9306", "12d/2 Flinders Parade, North Lakes QLD 4509", and "admin@xpresources.com.au".

The image shows a screenshot of the Xplore Resources website's Public Company Management page. At the top is a banner featuring a photograph of a geological outcrop on the left, the Xplore Resources logo in the center, and another photograph of a geological outcrop on the right. Below the banner is the website URL: www.xpresources.com.au. A large blue header section contains the heading "Public Company Management". Below this, a dark blue box contains the text: "Are you a listed company? Xplore Resources can provide end-to-end services for your business. As well as managing your geological & project management services, Xplore Resources can manage your public company's corporate profile". To the right of this text is a diagram showing a network of interconnected hexagonal icons representing various services: "ASX Announcement Services", "Compliance Reporting", "Investment Presentation", "Stakeholder Liaison", "Social Media Management", "Exploration Management", and "Professional Report Writing". At the bottom of the page is a footer bar containing contact information: "07 3188 9306", "12d/2 Flinders Parade, North Lakes QLD 4509", and "admin@xpresources.com.au".
